Light rail construction requires closures on SR 599 in Tukwila next week

Crews building [Sound Transit's light rail project](#) will close a ramp and lanes on SR 599 in Tukwila next week. Expect weeknight closures of the southbound exit to S. 133rd Street (9 p.m. to 5 a.m.). The left lane in each direction of SR 599 at the East Marginal Way crossing will be closed Monday through Friday except during rush hours as crews work in the median.

State Route 123 closures next week in Mount Rainier National Park

Crews will [close a short section of SR 123](#) just north of the Stevens Canyon Road intersection (approx. five miles north of US 12 at Milepost 5) and at Cayuse Pass (intersection with SR 410 at Milepost 16), Tuesday, Aug. 1 and Wednesday, Aug. 2 from 7 a.m. to 1 p.m. to install a deep drainage structure. SR 123 serves the east entrance to Mount Rainier National Park. Aside from these six-hour closures, SR 123 will remain open, but please expect delays of about 20 minutes through the construction area. The drainage installation is part of a two-year project to rehabilitate a section of SR 123. The project is scheduled for completion this fall.
